STATEMENT AND SIGNATURE

1. I wish to apply for the Aircrew Australia commercial pilot training program and I declare that all information given in this application is true and correct to the best of my knowledge and I understand that any false or misleading information given may result in my application being rejected or, if I have already commenced the program when discovered, may result in the cancellation of my training without refund.
2. I understand that if I am selected to be suitable for commercial pilot training under this program the staff of Aircrew Australia and their agents will advise me how to apply for sponsorship from politicians, candidates, provincial governments, statutory bodies, airlines and other aviation related organisations, private companies supporting the aviation industry, and private donors, by providing sample application letters and supporting documents, but that it would then be my responsibility to approach potential sponsors and lobby for support.
3. I understand that in the event that I am unsuccessful in gaining sponsorship I will be responsible for raising my own fees by seeking contributions from family and friends and conducting fundraising activities, and that my fundraising amounts may be deposited to the account of Aircrew Australia for safekeeping if I wish, until the full amount is raised, or later refunded to individual contributors if the fundraising is abandoned.
4. I understand that the application fee paid to Aircrew Australia will not be refundable regardless of whether or not I am given a letter of offer. If Aircrew Australia decides that I am not a suitable candidate for this challenging 9 months program I will respect the decision.
5. I understand that even if I am selected for the program but I am unable to secure a sponsor and unable to raise my own fees, the application fee will likewise be non-refundable.
